

## **A SEARCH PARTY**

Luke 19:1–10

May 31, 2026

### 1: Seeking More (Luke 19:1–4)

Are you seeking the shadows, the substitutes, the added things, or are you seeking the Savior?

### 2: It is Necessary (Luke 19:5–9)

When Jesus reaches the tree, He doesn't offer a suggestion or an invitation to be weighed; He issues a divine mandate that requires an immediate response.

### 3: Seek and Save (Luke 19:10)

Is your life a "dead end" for the Gospel, or a highway? Do you look at the "lost" with the judgment of the crowd (v. 7) or with the "must-rescue" compassion of the Savior?
